Spend a day with the K2 development team testing 2013 snowboard prototypes. You'll ride with the engineers and test each of the prototypes with them. Your scores will be counted in helping K2 select the future performance of our boards. As a bonus, you get to walk away with your top rated test snowboard

*Generously donated by:
K2 Sports*

AL 122 K2 AFTERSHOCK SKI - 174 VALUE: \$\$730

This high performance ski is built with ungroomed or softer snow conditions in mind. The All-Terrain Rocker gives you the added versatility to explore a side of the mountain that you've never seen before. Don't let the 86mm waist width fool you; the Aftershock is still lively and agile on the groomers.

*Generously donated by:
K2 Sports*

AL 123 K2 SUPERBURNIN' SKI VALUE: \$\$680

The SuperBurnin will set your skiing on fire, not your legs. This expert women's hard snow carving ski provides precision turning and edge hold on firm snow. Its narrow design and Speed Rocker ensures accurate, high performance transitions between turns and will result in quicker hot laps and flawless tracks. 160 cm.

*Generously donated by:
K2 Sports*

AL 124 K2 GYRATOR SNOWBOARD VALUE: \$\$550

Rocker started here. Made for powder float and quick turns in the trees. The 2011-2012 K2 Gyrator Snowboard continues the tradition with added features like Carbon Web II for even more pop and lively feel in the deep stuff. 158 cm.

*Generously donated by:
K2 Sports*

AL 126 RIDE SHAKEDOWN VIP

VALUE:\$500

You will receive two passes to the Ride Shakedown at the Summit at Snoqualmie with VIP credentials that will allow you and a friend access to restricted areas of the course, VIP parking as well as on-site VIP lounges/bar areas.

What makes the RIDE Shakedown such a hit and a cut above the rest is its unparalleled competition format?

The concept: a laidback, live-it-up event with minimal restrictions on the riders. Spectators are taken to the very heart of the action and treated to a thrill-a-minute show that's eminently accessible.

At the RIDE Shakedown, riders are required to master two different disciplines: the Big Air and the rail jam featuring a rail with various surface textures to be revealed only on the first day of competition. Competitors and fans alike look forward to the moment. While pros are the main attraction, amateurs are also in the game, as they valiantly

battle it out in an attempt to make a name for themselves. Every winter, new talent is discovered!
