

Transforming lives through outdoor recreation

"Outdoors for All made all the difference in my son being able to experience his dream. Outdoors for All has changed our lives, eliminating barriers to us spending time together as a family. Thank you all so much."

Outdoors for All Parent of a Participant

June 2010

Charitable Donations Coordinator,

Please support the Outdoors for All Foundation! Your contribution will advance our mission of enriching the quality of life for children and adults with disabilities through outdoor recreation. Your generosity will help transform the lives of more than 2,000 children and adults with disabilities.

The Outdoors for All Foundation (Federal ID # 91-1085999) relies on private funding to support our mission and underwrite expensive adaptive recreational programs and equipment. Your support will also provide needed financial aid for participants who, because of their economic circumstances, could not otherwise afford program activities even with subsidized tuition.

We are eager for your participation in our organization, and hope that you will contribute to Outdoors for All.

Attached you'll find a procurement form. Simply fill out and fax the procurement form back to us at 206.838.6035. Or, you can mail the form with the item or a gift certificate to my attention to the address below. In order for your company to be listed in our auction catalog, please contact me before **October 15, 2010.**

If you have questions or would like additional information, please contact me at the Outdoors for All office at: 206.838.6030 x 202 or beahanson@outdoorsforall.org.

Thank you for your consideration of this request and support of the 2,000 participants with disability actively involved with the Outdoors for All Foundation.

Sincerely,

A handwritten signature in black ink that reads "Bea".

Bea Hanson
Auction Coordinator

For 27 years we were known as the Ski for All Foundation. Today, we are the Outdoors for All Foundation - honoring our mission to enrich the quality of life for children and adults with disabilities through outdoor recreation.
