### ABOUT OUTDOORS FOR ALL

What began in 1979 as the Ski for All Foundation, teaching children with disabilities to downhill ski, today is the Outdoors for All Foundation. Our name may have changed but our aim of transforming lives through outdoor recreation has stayed the same. Today, more than 2,000 children and adults with disabilities exercise their abilities in our year round adaptive recreation programs like cycling, hiking, rock climbing, kayaking, canoeing, camping, water skiing, day camps, snowshoeing, snowboarding, cross country skiing and downhill skiing.

Contact us if you would like to volunteer, participate or contribute.
